

This shows how many bedrooms the property has. You can usually only bid for as many bedrooms as you are assessed as needing (you cannot usually have a 'spare' bedroom for visitors).

This shows the maximum age allowed. This icon is only used for schemes for young people, for example, where the maximum age would be 25 years old.

This shows the minimum age of the oldest joint homeseeker, for example 55 years old. If one person in a couple is under this age, the couple may not be accepted for the property.

Off-street parking is available at the property.

The property has adaptations for people with limited mobility – please read the individual advert for full details

The property has garden space.

The property is in a Sheltered scheme – please see the property advert for full details.

You are allowed to have pets at this property.

Most pets are not allowed – please ask the advertising landlord for further details.

Bands eligible to bid – this will usually show all bands (1,2,3 and 4). Please check the individual adverts to see if any bands will be given preference in the bidding shortlist.

There is a lift available to access the property (in blocks of flats).

Property suitable for a single adult

Property suitable for a single parent

Property suitable for multi adults with children

Property suitable for multi adults without children

Property suitable for 'older' people (please see individual adverts for possible minimum age limits)
